From

Secretary, Malnad Improvement Committee,
Shimoga.

To

D.M. Narasinga Rao, Esquire, B.A., B.L.,
Secretary to the Government of Mysore,
General Department, Bangalore.

Sir,

I have the honor to enclose herein copies of --- correspondence between this office and the Comptroller in the matter of the enforcement of the rule 32 (Note) Mysore Service Regulations regarding vaccination certificates - even in regard to the temporary establishments working -- under the Malnad Improvement Scheme, and to state as follows:-

(1) To obtain a vaccination certificate each time a temporary peon in a temporary establishment is replaced by another, works as a great hardship especially in the malnad where it is difficult to get men to stick on to their posts and frequent changes are therefore absolutely ~~xxdxx~~ indispensable.

(2) Under this circumstance the Comptroller was requested to waive his objection in regard to the officials under the Malnad Improvement Scheme. He admits the difficulties stated above to be reasonable but adds that the audit office cannot go beyond the rules. He suggests however that a reference be made to Government in the matter.

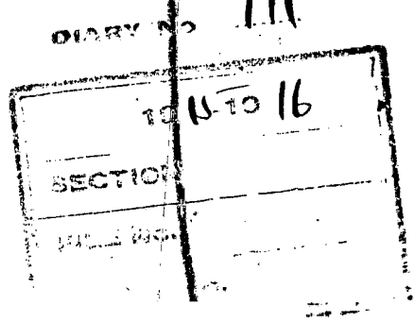
S U B J E C T.

Applies for Government sanction to exempt the officials employed under the Malnad Improvement Scheme from the operation of Article 32 of the Mysore Service Regulations.



(3) Considering that the Comptroller is not opposed to the exemption under reference for the reasons fully set forth in this office letter to him (vide copy -- enclosed) I request the Government will be pleased to sanction the same on behalf of the officials entertained under the Malnad Improvement Scheme.

I have the honor to be,

Sir,

Your most obedient servant,

Enc to Secy. 59-11-1

Letter No. 55 dated 23rd July 1915 from the Special Revenue Officer,Malnad Improvement Scheme to the Comptroller to the Government of Mysore.

I have the honor to state that the enforcement of the rule that vaccination certificate should be attached each time -, a temporary peon in a temporary establishment is replaced - by another, works hard on the executive subordinates.

2. These are employed temporarily and it is difficult for them to secure the services of peons in the Malnad. If they succeed in getting one, he does not stick to the place long; he leaves immediately he secures a firm employment elsewhere and often times absconds without notice. In many instances these temporary peons happen to be below ghat men - strangers to the Taluk. Cases of this kind have often been brought to my notice and I have often felt ~~it~~ this inconvenience myself.

3. Under this circumstance I endorse fully the complaint which the Sub-overseer makes in his report No. 6 dated 12th July 1915, (enclosed herein in original).

4. I request therefore that you will kindly withdraw the order of non-disbursement of pay to the Sub-overseer,Nagar Taluk and insist on the production of vaccination certificates in cases where hands are entertained as in this case in a temporary establishment. Such cases may be considered to fall under exception to article 31 of the Mysore Service Regulations.

Letter No. 1263/ T.A.D. II. 196-197 dated 14th August 1915 from the Comptroller to the Special Revenue Officer,Malnad Improvement,Shimoga.

With reference to this office objection No. 317 dated 29th May 1915 re the production of vaccination certificate on behalf

of

of peon Desoja working under the Sub-overseer of the Malnad Improvement Scheme, Nagar Taluk and his reply No. 55 dated 23rd July 1915 with the explanation of the Suboverseer in - which he has stated that the peon who was entertained temporarily on 1st February 1915 left service on 31st March 1915 and expressing further difficulties in obtaining vaccination certificates on behalf of these men who do not stick up long, has the honor to state that under note to Article 32 of the Mysore Service Regulations all men entertained temporarily have to furnish vaccination certificates and the audit office cannot overlook the rules. The difficulties explained by the Special Revenue Officer are reasonable and it is suggested that a reference be made to Government and their exemption from the operation of the rules obtained on behalf of the officials entertained under the Malnad Improvement Scheme.

2. In the case under reference, no further action is necessary as the peon is said to have been no longer in --- service. A copy of this communication will be forwarded to the Deputy Commissioner,Treasury Department,Shimoga, for - information.
